**NEWS,
Estancia, N. M.**

Entered as second-class matter January 1, 1907, in the post-office at Estancia, N. M., under the Act of Congress of March 3, 1879.

With the flour mill in operation at McIntosh and two planing mills at Estancia during the coming winter, the prospects are not nearly so gloomy in this part of the territory as they might be. While portions of the valley have not had sufficient moisture this season to mature paying crops, other portions have done better than many parts of the older states. The valley is still advancing, and it will take more serious difficulties than a partial crop failure to keep it back. The recent rains will, in most portions of the valley where early crops failed, still grow feed stuff in sufficient quantities to tide over.

Maw's callin' from the milk-house,
Callin' stern:
"Jim, yer lazy good fer nuthin'
Come an' churn."

Paw's callin' from the corn-patch,
Callin' loud:
"James, yer hulkin', stupid loafer,
Time yer plowed."

Nature's callin' from the trout-brook,
Callin' whish:
"Son, yer poor, tired, lazy feller,
Come and fish."

Stranger, if we just swapped places,
Put it clear,
Which of all the three a-callin'
Would you hear?
—New York Sun.

The Laugh Cure.

Laughter induces a mental exhilaration.

The habit of frequent and hearty laughter will not only save you many a doctor's bill, but will also save you years of your life.

There is good philosophy as well as good health in the maxim, "Laugh and grow fat."

Laughter is a foe to pain and disease, and a sure cure for the "blues," melancholy, and worry. Laughter is contagious. Be cheerful, and you make everybody around you happy, harmonious, and healthful.

Laughter and good cheer make love of life and love of life is half of health.

Use laughter as a table sauce; it sets the organs to dancing, and thus stimulates the digestive processes.

Laughter keeps the heart and face young, and enhances physical beauty.

Laughter is nature's device for exercising the internal organs, and giving us pleasure at the same time.

It sends the blood bounding through the body, increases the respiration, and gives warmth and glow to the whole system.

It expands the chest, and forces the poisoned air from the least-used lung-cell.

Perfect health, which may be destroyed by a piece of bad news, by grief or anxiety, is often restored by a good hearty laugh.

A jolly physician is often better than all his pills.—Success Magazine.
